Album 15 – Songs of the City of God – Zion's Glory and Eternal Praise

Song 1 In the City of Our God

Psalm 48 (Great is the Lord and greatly to be praised in the city of our God! His holy mountain, beautiful in elevation, is the joy of all the earth, Mount Zion, in the far north, the city of the great King.)

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.
In the north, Mount Zion stands, the Great King's royal city,
In its palaces, the Lord is a refuge strong and true.

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.

By the east wind's mighty force, God breaks the ships of Tarshish,
Earthly kings tremble in fear, struck with anguish at His might.

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.

In Your temple, I will dwell, meditating on Your mercy,
O my God, Your name resounds through the earth in endless fame.

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.

With Your right hand, You uphold, O righteous Lord, my Savior,
Daughters of Judah, rejoice, sing with joy and celebrate!

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.

Walk around Zion's walls, count her wonders, tell her story,
To the generations next, proclaim her glorious fame.

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.

Forever and through all time, You are our God eternal,
Guiding our lives till the end, through death's shadow, You remain.

In the city of our God, the Lord is great and mighty,
On His holy mountain high, He's worthy of all praise.
